To Whom It May Concern:

The Edwards Twins "Christmas with the Stars" performed at the RI Convention Center on Friday, December 12, 2014. This was a dinner and show ticket package and a VIP package was available, which included premium seating and a meet and greet after the show.

Working with The Edwards Twins was a pleasurable experience from beginning to end. They are true professionals who perform tirelessly, are engaging, supportive, and will stop at nothing to make their event a success.
