Dear Eddie and Anthony,

We have been planning Hillsdale's events for well over 30 years and The Edwards Twins was the icing on our cake!

Thank you so much for the exceptional performance you gave at our 65th Anniversary Gala.

The Members' reactions to your show was enthusiastic and the feedback since then has been amazing!

Most of all, you are a pleasure to work with. You are flexible, accommodating and joyful. It comes through to everyone how much you love what you do.

May you continue to bring pleasure to audiences with your remarkable talents and creativity.

Best regards,

Barbara Pascal and Carol Shore
