

Dear Eddie and Anthony,

I am writing to you on behalf of the membership of Mizner Country Club to say THANK YOU, THANK YOU. THANK YOU for an extraordinary performance at our club last night. The creativity and energy you put into each celebrity that you portray is remarkable. Our members walked out in disbelief last night and were over the top thrilled with the evening of excellence you provided. On a personal level, thank you for being beyond kind when I asked you to work the stage which you did so very well and for that I thank you as there were NO complaints about side or middle preferential. You are the nicest gentlemen and so very professional--what a dynamite combination!! Thank you again for delivering an evening for everyone to remember!!! Big Hugs!! Carol Phillips

I know you are always on the move but if you have any down time, I would love to have you come to Mizner as my guest for lunch. Just let me know when!!

Carol
